Ms. Pauline Boczanowski

**"I love kids, I love teaching, how can I go wrong?
I enjoy it so much it's not even like a job."**

The Class of 2009 would like to dedicate this yearbook to Ms. Pauline Boczanowski. "Ms. B" has worked for Weymouth Public Schools for over twenty-nine years. After graduating from Boston University in 1964, Ms. B felt privileged to be hired by Weymouth because at the time, it was one of the best public school systems in the state. Despite adjustments within the school system, Ms. B continued to work in Weymouth as anything from a Physical Education teacher to a subject teacher at the Achievement Center. Ms. B taught at Weymouth North High School, East Junior High School, and now teaches at Weymouth High School.

She loves the diversity of the student body and says her job is challenging but gives her great satisfaction.

Regardless of all her accomplishments, Ms. B feels she still has more work to do. She sees drug use in Weymouth as a great concern and hopes that by sharing her wisdom and knowledge she will help students make good, healthy decisions.

Ms. B is not only an incredible Health teacher, she is the only person in the school who teaches each and every student before they graduate. She also is the advisor for SADD and Peer Mediation. As a result of her hard work and dedication, each student in the school is impacted and guided by Ms. B in some way.

Ms. B hopes the members of the Senior Class will feel passionately about the issues affecting them and their peers. As the Seniors enter adulthood, Ms. B hopes they strive to make good decisions about their health and well-being.

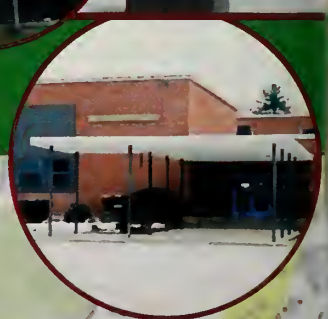
All Roads Lead To One Wildcat Way



To the Graduating Class of 2009:

Academy Avenue, Murphy, Nash, Pingree, Ralph Talbot, Seach, Union Street, Wessagussett, Saint Jerome's, Saint Francis, South Intermediate, Abigail Adams, Pleasant Street, Chapman it is by coincidence and fate that we have come together as Weymouth High School's Class of 2009. Someone once told me it does not matter where we come from as long as we end up where we belong. Each of us brings to this group something individualistic and unique. Every one of us has a different past and an unpredictable future. There have been countless first and lasts we have experienced with each other side by side. Together we have created memories that will last an eternity. I hope when you look back at this yearbook years from now that you have no regrets about what you could have done but rather that your face lights up with a smile reflecting on the decisions you have made. It is with great hope and pride for each and every one of you that I present you with this:

Ralph Waldo Emerson once said " Go confidently in the direction of your dreams. Live the life you have imagined."

Choose your paths wisely and never give up. You alone control the successes of your future, so reach for the stars and hold your heads up high. Rest assured that what we have learned here at WHS not from the textbooks but rather from one another has begun the paving of our roads to achievement.

In Loving Memory
Of
Catherine Elise Crocker

April 15, 1991 ~ October 10, 2007

You know they say the good die young,
But we never thought you'd be the one,
To leave us here without a warning,
Now we're left so sad and mourning,
If we had a wish that could come true,
We would wish to have one more
Moment with you,
To tell you how we feel and say
Good-bye, and let you know we'll love
You 'til we die.

"He did do something that would make me stay on the WHS tennis team, he laughed. He brought a humor to the court I never thought possible."

Kevin Hadar

"Joe, buddy, you taught me more than just how to hit a backhand, how to never listen to Steve, and how to never give up. You taught me there is nothing more important than having a good friend."
